

COMMUNITY ENDORSEMENT FOR PARENT REPRESENTATIVES TO THE LEADERSHIP COUNCIL

The Barton Leadership Council, consisting of parents, staff, and student representatives from the Student Council, is the primary governing body for the school. The Council is responsible for setting school policy, identifying yearly goal areas, monitoring school improvement plans, encouraging broad participation from all members of the school community, and guiding overall staffing and program decisions.

Parent representatives to the Leadership Council need to be endorsed by 50 or more votes from the adult members of the Barton School Community. Each adult in a family may vote for up to 10 candidates, but only one vote per individual candidate.

When making a decision about which candidate to endorse, please keep in mind that it is our desire to have parent representatives to the Council who reflect our diverse student body. Ideally, we seek a mix of sexes, races, and parents of younger and older children. When more perspectives are included in our decision making, the better our ability is to make good decisions for all of our children.
