## Homework Ideas

- \*Spell your words outside. Use pebbles, acorns, sticks or sand to make the letters.
- \*Look for monarch butterflies in your yard or at a park. Tell a family member what you know about monarchs.
- \*List your strengths and interests. Bring your list to your conference.
- \*Play the math game attached!
- \*Read 20 minutes every night.
- \*Do your own thing!
- \*The three bears all had special chairs. Design a chair that would be perfect for you. Make a labeled drawing.
- \*Take a family walk and notice signs that the season is changing. Collect some artifacts for our science table.
- \*Put your spelling words in abc order, and tell how many syllables are in each.
